

# INTREPID AWARD NOMINATION FORM

The Intrepid Award is given to the individual, organization or consortium that has the ability to have a sense of what is right and proper and decent in the midst of turmoil. The E2MA Intrepid also recognizes the quality of character combining courage and staying power.

In business, and specifically in the trade show business, grace and fortitude under pressure is the capacity to focus attention on the needs of the customer at all times; particularly when the pressure hits. The Intrepid Nominating Committee will review nominations made by E2MA members and distill the list to five (5) finalists. The finalists are then voted on by the membership and the Intrepid Award Winner is announced at the E2MA Red Diamond Congress.

Please use this form to nominate your candidate for the E2MA Intrepid Award, making sure to complete in full. Nominations must be received at E2MA HQ by May 10 in the current calendar year. The E2MA Intrepid Award winner will be announced and presentation made at the E2MA Red Diamond Congress.
